

# KINGS WORTHY POST

A special Summer Tour edition from your local MP Steve Brine

## MP brings Summer Tour to Kings Worthy this Monday

Winchester MP, **Steve Brine**, will kick off his Summer Tour in **Kings Worthy** this year.

He will be holding a 'street surgery' on **Monday 22 July** from **9.30-11.30** outside the **Tesco Express** store on Springvale Road.

Steve's Summer Tour takes place every July and August during Parliament's annual Summer recess.

He says; "My previous tours have been really well received by constituents and it's been a great way for me to get out and meet even more of the people I represent. This year's programme is certainly ambitious and spans the real length of my constituency, taking in street surgeries, door-to-door activity and for the first time this year, even a special supermarket surgery at Sainsbury's. If you are around in Kings Worthy on Monday please do drop by, it would be great to see you."

Steve also holds a weekly surgery in Winchester. If you would like an appointment and wish to speak with Steve in private, please get in touch.

### A33 / London Road junction in Kings Worthy update ...

Residents will have received an update in the past week from Steve on his efforts to bring fundamental change to this notorious junction.

As our local Member of Parliament, and someone who lives near to the junction, Steve is leading a renewed cross-party campaign to make the case for change. Last month Steve brought the new Transport boss at Hampshire County Council (Cllr Sean Woodward) to the junction, so he could see for himself the dangers we face and earlier this month he convened a meeting of parish, city and county councillors – plus the police – to see what can be done.
