

# STEVE BRINE for Winchester & Chandler's Ford

The General Election on Thursday 8th June may be one of the most surprising but it is also one of the most important in years.

Of course, it will be about the kind of MP you want locally but it is also about the Prime Minister you elect. Remember, either Theresa May or Jeremy Corbyn will be in No. 10 so your vote here matters.

So many people put their trust in me (again) just two years ago and I hope I've repaid that by getting on with the job and being a good constituency MP. I have totally rejected negative campaigning these past seven years and promise you I will run a positive local campaign over the next few weeks.

As a strong, and now even more experienced Member of Parliament, I am able to get things done locally. And because of my role as a

Minister in Theresa May's Government, I can ensure our voice is heard at the heart of Government.

Through my casework, we have helped thousands of constituents since I was first elected in 2010 and I am able to use my experience to get results when people need my help.

I hope you can support me to continue as our local MP and ensure we keep Theresa May as our Prime Minister.

**FOR A STRONG &  
EXPERIENCED  
CONSTITUENCY MP**

# STRONG AND STABLE LEADERSHIP IN THE NATIONAL INTEREST

We need a General Election now to secure the leadership our country needs to see us through Brexit and beyond

## WHAT THIS ELECTION IS ABOUT:

Leadership in the national interest with Theresa May and the Conservatives — or weak and unstable coalition government led by Jeremy Corbyn

**Only Theresa May has the plan and the proven leadership to deliver the right deal for Britain abroad and a better deal for ordinary, working people here at home.**

The Conservatives will stick to our plan for a stronger Britain and take long-term decisions for a more secure future which:

- ✓ *Establishes Britain as the strongest country in Europe, in economic growth and national security.*
- ✓ *Builds a stronger economy that rewards people who work hard and creates secure and well-paid jobs; the jobless count in this area has fallen by 69% since 2010.*
- ✓ *Provides real opportunity for all; we will go on building affordable housing and ensure every school locally remains 'good' or 'outstanding'.*
- ✓ *Build a more secure and united nation; by taking action against the extremists who try to divide our society and standing up to the separatists who want to break up our country.*

***Only possible if we keep a dynamic, growing UK economy***
