SUMMER  
2017

**Steve Brine has thanked local residents after he was re-elected MP for Winchester & Chandler's Ford for the third time in seven years.**

Steve, who was returned with more than 50% of the vote once again, said: "I am thrilled to represent this constituency and will carry on working for everyone across the Winchester and Chandler's Ford constituency. Thank you to everyone who put their faith in me."

"Clearly our country is divided right now with many challenges which is why, more than ever, we need to show **unity over division**. The new House of Commons has a great deal of talent on both sides and, as I said on election night, my hope is we can rise to challenge of a balanced Parliament and work together cross-party on many of the big issues including Brexit."
