

Helping Crawley through Coronavirus

We have a number of villagers who have volunteered to support any Crawley residents who are self-isolating due to COVID-19 Coronavirus. If you are self-isolating we can coordinate support with tasks such as grocery shopping, collection of prescriptions, posting mail, dog walking urgent DIY or simply with a friendly phone call.

Please do get in touch if we can help you or your family. We all need to look out for each other and hope that you will welcome and support this initiative to strengthen outreach across our community at this difficult time.

Message from Revd Jax: *St Mary's has cancelled all services for the time being. However, our parish church will remain open as the spiritual hub of our community. You can use it as a focus for a walk in the village to stretch your legs and enjoy a tranquil space for meditation and prayer. There are spiritual resources available and a prayer board, should you wish us to pray for you or a loved one.*

Coronavirus is contagious. Please take every precaution to ensure you are spreading only kindness. Avoid physical contact and wash your hands regularly.
