Dear Parents/Carer,

**REFERENCE: OPERATION REMOTE – Bus incident 10/09/2020**

Good Morning,

I hope you are all coping in these difficult times with juggling work and home schooling or if you are like me this is one of those times when I am thankful to be a key worker, I am not so sure my children have the same view!!!

I would like to thank you for your patience in relation to the bus incident. I have now had a decision from the Crown Prosecution Service (CPS) to charge the bus driver with Causing Serious Injury by Dangerous Driving. The first court date is in April and I will update you again after the hearing.

In the meantime the CPS have asked that we gather some more detailed information from all of the injured children. I now need ASAP the following if your child was injured.

- Childs name
- A summary of the injuries and treatment
- Copies of photos taken of injuries if you have any

Could you please email the information to [OPREMOTE@hampshire.pnn.police.uk](mailto:OPREMOTE@hampshire.pnn.police.uk)

We do have some photos, if you have already supplied us with them then could I ask that you email to tell us that with your child's name & the summary of injuries.

You may see an update in the local press or on social media but I would ask that you do not make comment on this as the case has not yet been to court and I do not want the investigation jeopardised.

Kind regards

Cate Paling
